It must be Christmas!

C-1 Underwater digital photography for everyone

The Olympus Camedia C-1 is set to impress. Besides offering extreme user-friendliness, this compact innovation also features numerous functions and delivers quality images for great price-performance.

As a result, the C-1 is the perfect model for those who don't necessarily possess a technical background and are primarily looking to take good, enjoyable digital photos.

The PT-008 underwater housing is waterproof to 30 metres and follows the tried and trusted design of previous Olympus housings.

All of the camera controls are accessed by simple push buttons.

PT 005s housing

The PT 005S houses the following cameras:

Olympus Camedia 2020,
2030, 3030, 3040, 3000.

As with all other Olympus housings, they are waterproof to 30 metres and have push button access to all of the cameras controls.

PT012 C40z housing just arrived!

This latest Olympus housing is for the Olympus C40z 4mpixel camera is now available.
