In order to offer the best diving experience and variety of marine life, Dive Photo Fest workshops are scheduled in the Indo Pacific's premiere locations. From the sharks and mantas of Palau and Yap to the amazing reefs and bizarre critters of the Philippines and Indonesia, we offer a great mix of photo subjects to choose from.

With 3 pros on hand, in water help is a trademark of our workshops, not only do we talk about theories, we help participants implement them in the field. Nightly critiquing sessions and entertainment in the form of slideshows, videos, and presentations add to the fun of our workshops.

Have you learnt something invaluable by reading this issue of UwP?

Have you saved a lot of time benefitting for the experience of UwP contributors or do you simply just enjoy UwP and want to help it continue?

If so, please donate to the UwP contributors

You may not know this but none of the UwP contributors get paid. They provide their articles and photo talent in support of the cause of UwP which aims to keep the magazine free for anyone to download.

Donations are all handled in total security through PayPal and you can also pay securely by credit card using the PayPal links.

Your donations will be distributed to the contributors of each issue on a pro rata basis i.e. the more pages they contribute, the

more their percentage.

When deciding how much you want to donate please bear in mind that PayPal's charge for amounts smaller than £3 or \$6 can be as high as 24%!! Whilst I accept that PayPal is absolutely brilliant and safe, I don't want this to become a 'Donate a lot to PayPal'!!

You can make a donation in either US \$ dollars, UK £ sterling or € Euros by following this link
