

UWPG Ocean Art Photo Competition 2010 results

I want to thank everyone for entering the competition, and I want to congratulate all the winners. There were so many excellent images, that the judges had a very difficult time determining the winners.

I hope you all decide to enter

the competition again next year!
And if you are in LA stop in my new underwater camera store to say hi.

UwP is free to download because the contributors give their time, talent and knowledge for free.

Please, make a donation to the UwP contributors and help keep UwP free to download.

You may not know this but none of the UwP contributors get paid. They provide their articles and photo talent in support of the cause of UwP which aims to keep the magazine free for anyone to download.

Donations are all handled in total security through PayPal and you can also pay securely by credit card using the PayPal links.

Your donations will be distributed to the contributors of each issue on a pro rata

basis i.e. the more pages they contribute, the more their percentage.

When deciding how much you want to donate please bear in mind that PayPal's charge for amounts smaller than £3 or \$6 can be as high as 24%!! Whilst I accept that PayPal is absolutely brilliant and safe, I don't want this to become a 'Donate a lot to PayPal'!!!

You can make a donation in either US \$ dollars, UK £ sterling or € Euros by following this link

**Want to upgrade
to First Class?**

**It's almost free
with Ultralight.**

Upgrading from a compact camera to a DSLR system is a big move financially but it does open up a whole new potential for you. Fortunately if you chose Ultralight for your compact strobe mounting arm system, it will cost very little (or even nothing) to upgrade. The same arms and arm clamps will perform seamlessly and you'll be upgraded to First Class in no time at almost no cost.
