Photo courses

Martin Edge, author of the
best selling instructional book
'The Underwater Photographer'
guarantees that he can improve
your images. Martin has
scheduled two weekend courses
for 2002. The dates are 23/24th
February and 16/17th March. A
Nikon SLR and Housing course
is planned for 2/3rd November
2002. Limited spaces available.

Using an indoor heated
swimming pool in a
Bournemouth Hotel, the
weekends are structured to the
needs of each individual. Your
own camera equipment is
preferable but hire facilities may
be available. E6 film processing
is included in the course price of
£165.

Improve your image

Subal

The legendary housing of choice for many of the worlds top underwater image makers.

Now available for the Nikon F100.

Subtronic

These are the ultimate strobes. With fast 2 second recycling, optional laser aiming light and colour temperature control, prices start at just £749.

Nexus

Offering the most versatile macro system in the world today, Nexus make possible extreme close up photography unavailable from any other housing line.

Nikonos

The classic underwater camera. We stock the range and have a fully Nikon authorised workshop facility.

Bonica

The Snapper builds into a neat system capable of creative pictures down to 150 ft, even in low visibility. It's so simple to use and, with prices starting at just £129, it's stunning value for money. This really is a breakthrough in price and performance. There's no better introduction to underwater photography.

Our aim at Ocean Optics is to keep you shooting. That's why we provide a full servicing facility in our own workshops for all Nikonos, Nexus and Subal equipment we import. We even have loan equipment for those impossible deadlines! If you choose to be an Ocean Optics client, you will benefit from the best support in the business
